

**Christian Association
Of Youth Mentoring**

CAYM Support Consideration Form

**Prayerful Investing in the
Kingdom**

Giving As You Have Received

The Christian Association of Youth Mentoring (CAYM) helps churches and ministries develop safe and effective mentoring with fatherless and motherless youth and their families.

It costs CAYM \$2200 dollars to help a church or ministry start or further develop a mentoring ministry. This involves training, consulting and materials so that the ministry can effectively reach our vulnerable youth and families. While churches and ministries pay \$200/person to attend our training, it leaves us with an operating deficit between \$1600 and \$2000 for each new ministry started.

Your mentoring ministry has been helped by the faithful donation of other churches and Christians across the country. As you apply for membership into CAYM, we ask that you prayerfully consider an investment in the Kingdom through a donation above the \$50 membership fee that will help us enable another church to start a ministry.

Your donation is not a membership requirement. Prayerful consideration of that donation is required.

Our board has prayerfully considered a donation to invest in the Kingdom by helping another church/ministry start a mentoring ministry.

We will be donating \$_____ to this effort.
